Other comments or suggestions:

The submitted thesis deals with a very up to date topic.

The author cooperates with the supervisor just at the final stage of diploma thesis processing.

Graphical problems spoil the final impression of the thesis.

I would also appreciate a more profound analysis in the practical part.

Overall, however, I recommend the thesis for defence, and I rate it as very good.

Plagiarism control: The system Theses.cz has not assessed the thesis as suspicious.
