Other comments or suggestions:

The bachelor thesis deals with Kazakhstan agriculture. The work has many formal mistakes – inconsistent table formatting, charts with missing timeline (Figures 10, 11, 14), large spaces between paragraphs, etc. The work with scientific literature is a major drawback. There are very few resources used in this work, which are also badly cited in Chapter 6 ”References”. In addition, this list is incomplete because other resources are used in the work. Furthermore, I did not understand the meaning of Chapter 7, where the same charts and tables are presented again as at work. The author also did not pay too much attention to the chapters “Introduction“ and “Conclusion“, which are really short.

Questions for thesis defence:

Can you explain the large fall in GDP per capita in figure 5, which you present on page 21?

Can you explain the results in table 6 on page 44?
