

## **Publications**

**Ševčík, R.**, J. Riegert, K. Šťastný, J. Zárybnický, and M. Zárybnická. 2021. The effect of environmental variables on owl distribution in Central Europe: A case study from the Czech Republic. Ecological Informatics **64**:101375. <https://doi.org/10.1016/j.ecoinf.2021.101375>

### **Authors contribution:**

M. Zárybnická and J. Zárybnický conceived and designed the research topic and settled research questions.

J. Riegert, M. Zárybnická, and **R. Ševčík** performed the analyses and created figures.

M. Zárybnická, **R. Ševčík**, and J. Riegert wrote the manuscript.

K. Šťastný contributed the data.

J. Zárybnický and M. Zárybnická synthesized the data.

**R. Ševčík**, M. Zárybnická, J. Riegert, K. Šťastný, and J. Zárybnický edited the manuscript.

Total contribution of **R. Ševčík**: 50%

**Ševčík, R.**, B. Kloubec, J. Riegert, J. Šindelář, M. Kouba, and M. Zárybnická. 2022. Forest structure determines nest box use by Central European boreal owl. Scientific Reports **12**:4735. <https://doi.org/10.1038/s41598-022-08792-y>

### **Authors contribution:**

M. Zárybnická and B. Kloubec conceived and designed the research topic and field experiment.

M. Zárybnická and **R. Ševčík** wrote and revised the manuscript.

J. Riegert, M. Zárybnická and **R. Ševčík** analyzed and visualized data.

**R. Ševčík** analyzed audio recordings.

**R. Ševčík**, B. Kloubec, J. Šindelář, M. Kouba and M. Zárybnická collected field data.

**R. Ševčík**, M. Zárybnická, B. Kloubec, J. Riegert, J. Šindelář, and M. Kouba edited the manuscript.

Total contribution of **R. Ševčík**: 70%

**Ševčík, R.**, J. Riegert, J. Šindelář, and M. Zárybnická. 2019. Vocal activity of the Central European Boreal Owl population in relation to varying environmental conditions. *Ornis Fennica* **96**:1-12.

#### **Authors contribution:**

M. Zárybnická, **R. Ševčík**, and J. Šindelář conceived and designed the research topic and field experiment.

**R. Ševčík** and M. Zárybnická wrote original draft and revised the manuscript.

**R. Ševčík** and J. Šindelář collected field data.

**R. Ševčík** analyzed audio recordings.

J. Riegert, M. Zárybnická and **R. Ševčík** analyzed and visualized data.

**R. Ševčík**, M. Zárybnická, J. Riegert, and J. Šindelář edited the manuscript.

Total contribution of **R. Ševčík**: 80%

#### **Conferences**

1. Kostelecké inspirování 2017: Vocal activity of boreal owl in Central Europe: effect of food supply and environmental factors,
2. KAGÚP Chloumek 2018: Bioacoustic monitoring of boreal owl in the Ore Mountains: the effect of environmental conditions and interspecific competition
3. Zoologické dny 2020: The effect of elevation on the distribution of owls in the Czech Republic.

## **Cooperation**

Cooperation with Institute of Vertebrate Biology CAS during doctoral study.

Project:

Determining the food supply in little owl's territories using captures of small mammals and beetles from the family ground beetles (Carabidae) – field work, data processing.
