

Cesta k ptačí kráse vskutku těžká zdá se

Na jestřába kuře zírám.
„Jaká krása, kýho výra. . .“

„Také si tak sednout zkusím,
slípkám zalíbit se musím.“

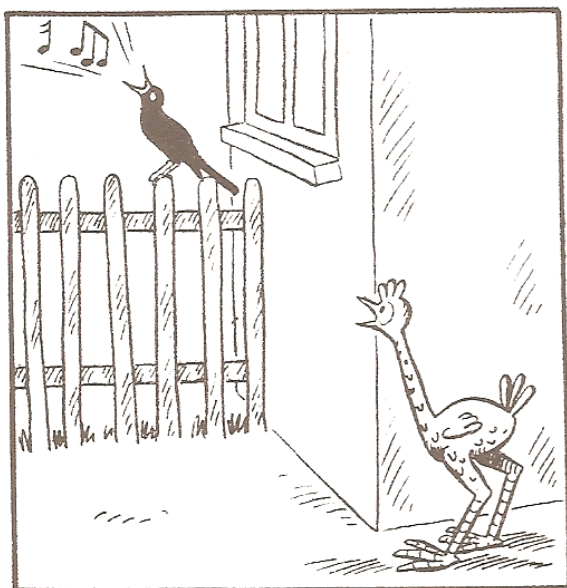

Špatně se však pokus daří,
Brokovi to spánek maří.

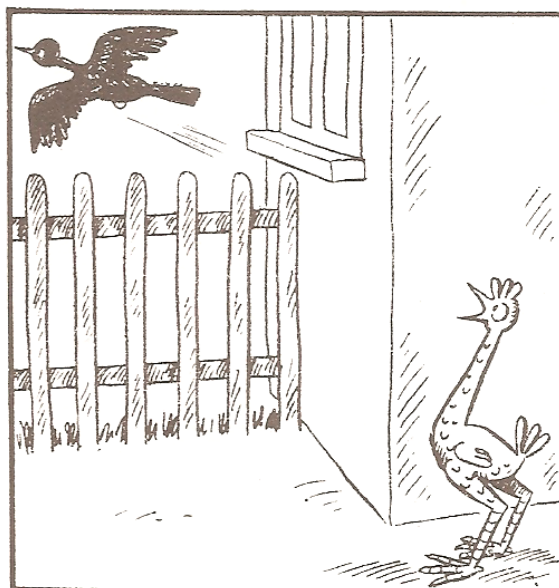

„Počkej, kuře, na slovíčko,
pohladím ti tlapkou líčko.“

Ne každý, kdo zpívá, velký úspěch mívá

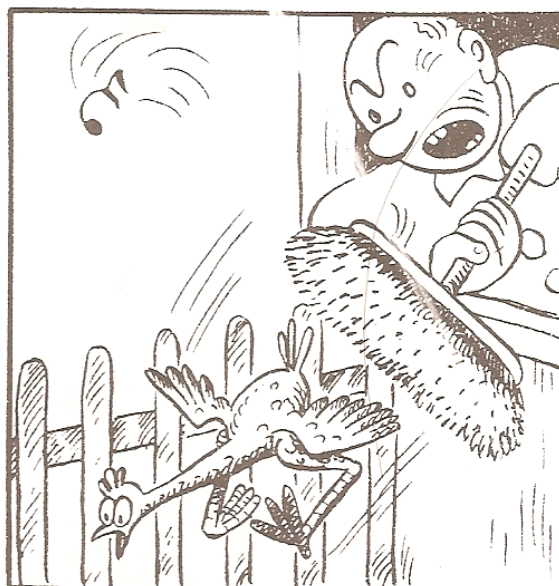

Kuře žasne: „Ach, ach, jeje, čarokrásně ten kos pěje!“

„Uletěl pryč! Bez písničky už tu bude smutno vždycky!“

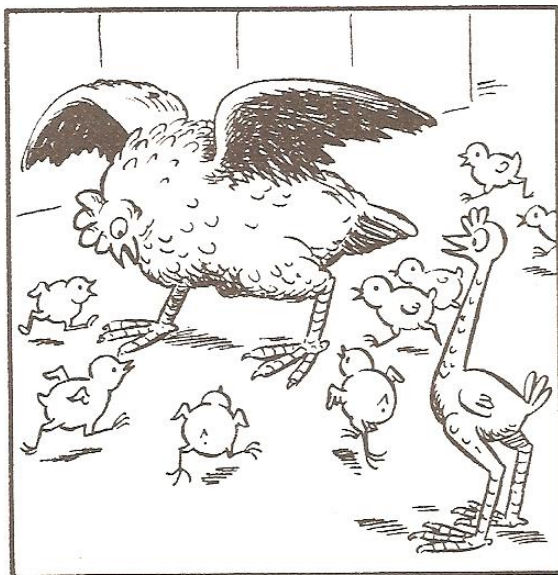

„Kos uletěl? Nevidáno! Budu za něj zpívat samo.“

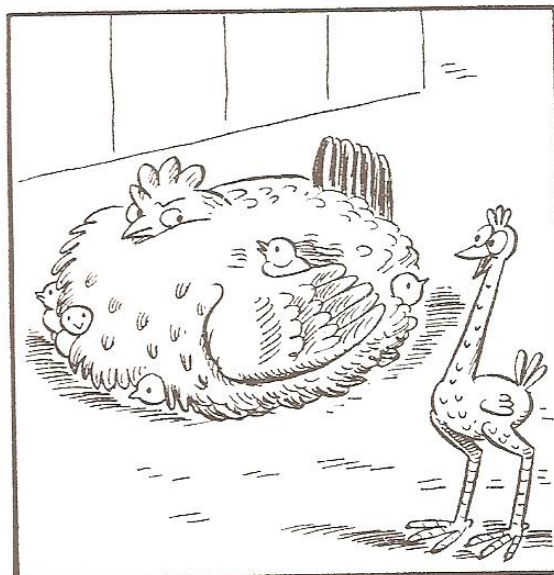

To byl zpěv! Ach, lidé zlatí! Však se také soused katí!

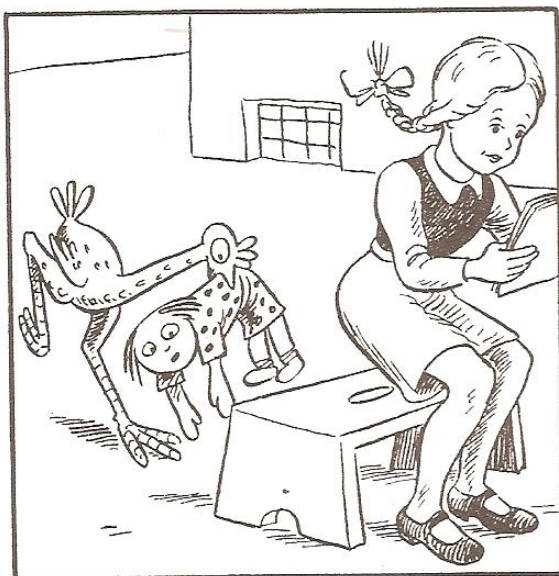

Napipi jen dobro chtělo — na něco však zapomnělo

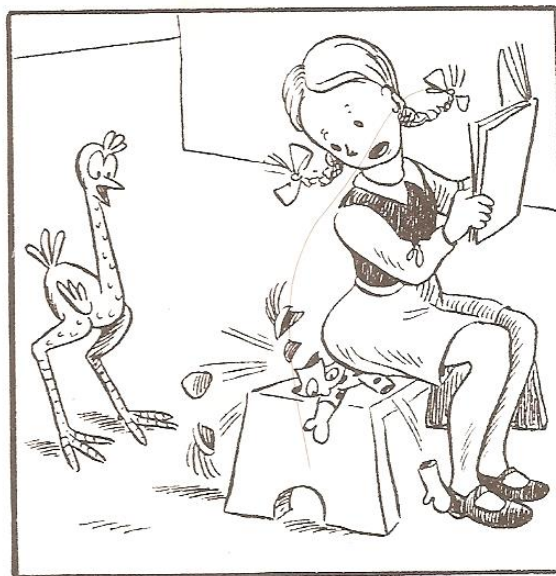

Na znamení ke své kvočně
každé kuře běžet počne.

Do peří se všechno balí,
Napipi to velmi chválí.

„Márinka jak kvočna sedá.
Kde má děti? Snad je hledá.“

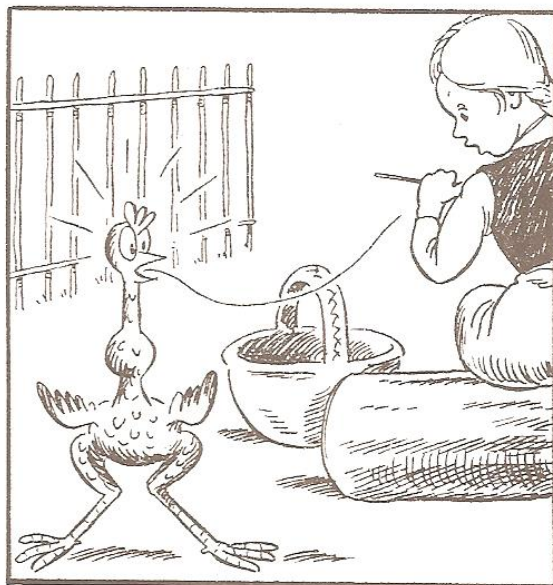

Márinka však kvočnou není,
panenka se v trosky mění.

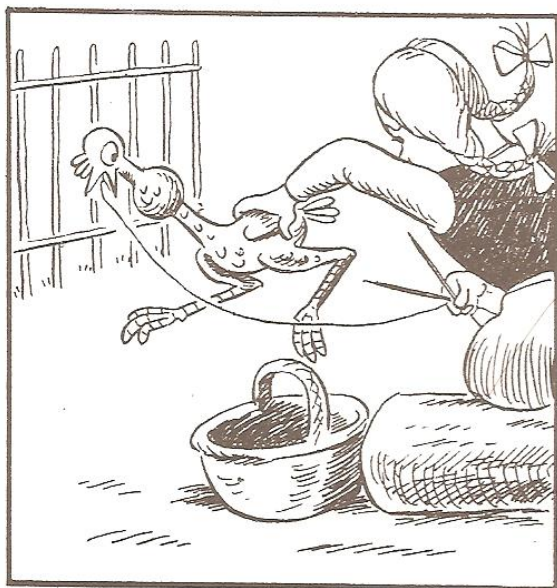

Kuře z velké hltavosti dostane teď práce dosti

Po zemi se cosi valí,
sním to, hlad můj není malý.

Hrůza, co to krk můj plní?
Místo jídla klubko vlny!

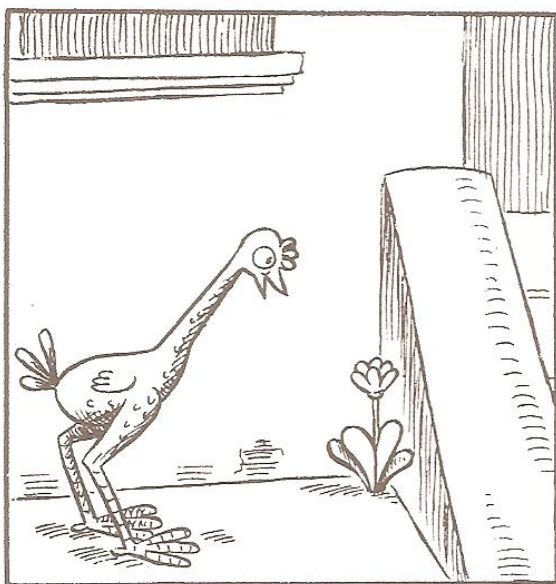

„Kampak, kuře?“ Ruka hbitá
Napipi i s klubkem chytá.

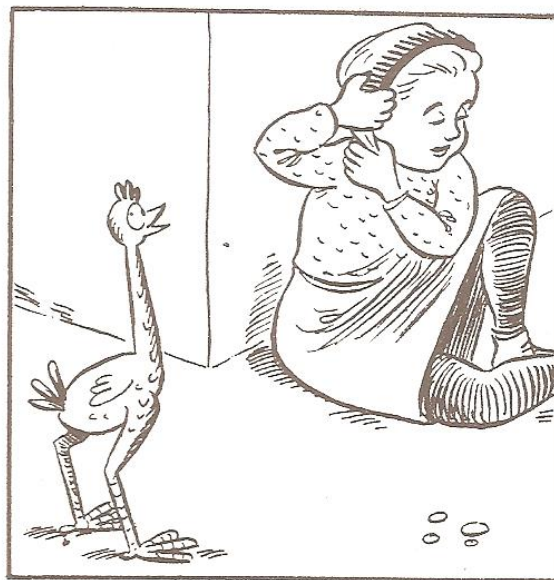

„Hlavu drž a sem si lehni
a přitom se ani nehni!“

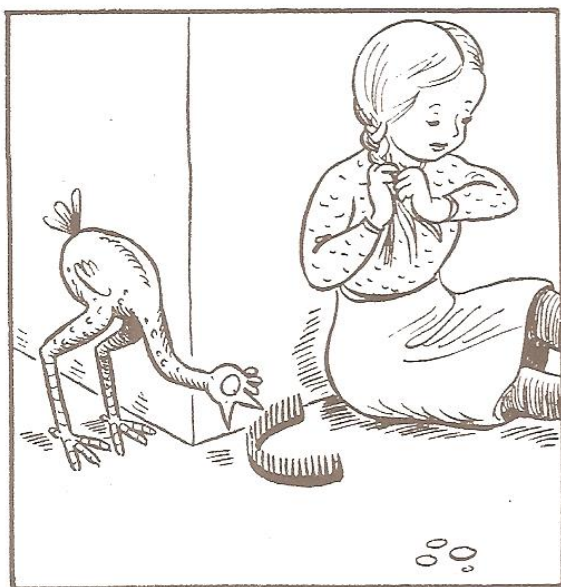

Napipi má rádo kvítí, zahrádku chce také mít

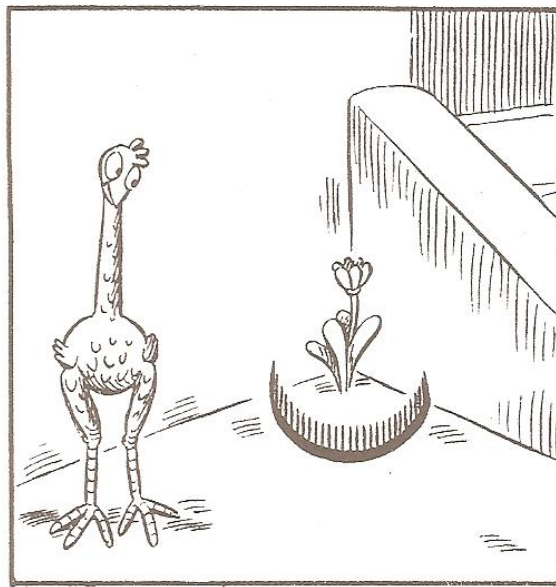

Kvítečko tu v koutě stojí
a tak samo, snad se bojí.

Děvčátko, hle, češe vlasy,
právě hřeben sundává si.

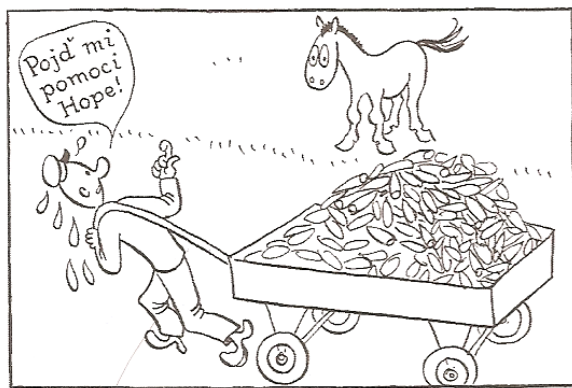

Jak si hřeben s hlavy sňalo,
kuře jej hned tajně vzalo.

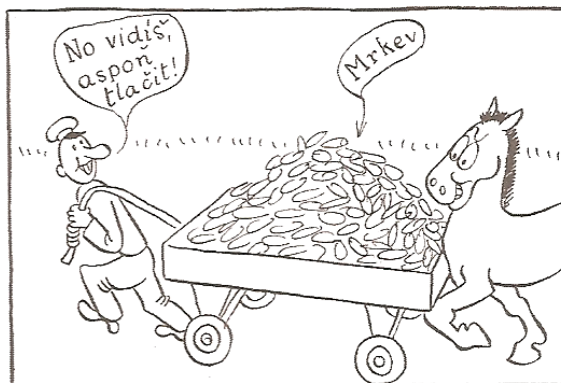

Ke kvítečku postavilo,
zahrádku mu udělalo.
