Other comments or suggestions:

The submitted thesis explores the impact of the COVID-19 pandemic on wheat prices in the commodity market. The thesis provides valuable insights into how global crises like the COVID-19 pandemic can disrupt commodity markets, with specific implications for policy and market predictions in agricultural sectors. The study is well-structured and fulfill all criteria for final theses at CZU. I evaluate the thesis as excellent and recommend it for the final defence.

Plagiarism control: The system Theses.cz didn't find similarities in the thesis.
