**TYPE OF DIPLOMA WORK:** applied

**ASSESSMENT OF THESIS:** (always add verbal comments)

### 1. COMPLIANCE WITH REQUIRED ASSIGNMENT:

Poverty eradication has been and is still is a major objective of various governments in throughout the history of Ghana hence there is the need to look at the various economic sectors and how they contribute to this objective.the chosen topic is of great importance.

I believe this work complies with requirements of the assignment and follows the required structure and standard of a bachelor thesis

### 2. WORK WITH ACADEMIC LITERATURE:

This works involves the use of theoritical knowledge and a good litereture review on the theme of thesis. The student used secondary data from various reliable sources and cited appropriately.

### 3. CONTENT LEVEL OF WORK:

Comprehensible use of the English language. The content of work is good, it provides adequate insights to the background, problem statement methodology and dicussion of results with conclusion and recommendation

### 4. FORMAL LAYOUT:

Overall the thesis has been elaborated and structured in the standard format. Sources used are cited and referenced correctly. However a few of the figures lack citing even if they are the authors own work. Also there were some spacing errors throughout the work

**SPECIFIC REMARKS AND COMMENTS ABOUT THE THESIS:**

The work is structured well and the impact of tourism on the locals and the Ghanaian economy has been discussed well enough.

However I would like to know if the author considered the tourism trends in the study area? Whether the numbers have been increasing or decreasing and possible factors that leading to this trends.

**DEFENSE OF THESIS:** recommended
