

List of Authors publications

Author: Ing. Tereza Slámová

Publication in Scientific Journals with IF:

Slámová T. Fraňková A. Hubáčková A. Banout J. 2017. Polycyclic aromatic hydrocarbons in Cambodian smoked fish. *Food Additives and Contaminants: Part B Surveillance* 10:248–255.

Slámová T. Sadowska-Rociek A. Fraňková A. Surma M. Banout J. 2020. Application of QuEChERS-EMR-Lipid-DLLME method for the determination of polycyclic aromatic hydrocarbons in smoked food of animal origin. *Journal of Food Composition and Analysis* 87.

Slámová T. Fraňková A. Banout J. 2021. Influence of traditional Cambodian smoking practices on the concentration of Polycyclic Aromatic Hydrocarbons (PAHs) in smoked fish processed in the Tonle Sap area, Cambodia. *Journal of Food Composition and Analysis*. Accepted 25.03.2021. Manuscript number: JFCA-D-20-00711R3.

Conference contributions:

Tropentag conference 2018. Ghent University, Ghent, Belgium. Screening of PAHs Concentrations in Traditionally Smoked Freshwater Fish Products from Tonle Sap in Cambodia

Scientific Practical Conference 2018. Royal University of Agriculture, Phnom Penh, Cambodia. Screening of PAHs Concentrations in Traditionally Smoked Freshwater Fish Products from Tonle Sap in Cambodia

ELLS conference 2019. Swedish Agriculture University, Uppsala, Sweden. Determination of polycyclic aromatic hydrocarbons in smoked food of animal origin by application of the combined QuEChERS-EMR-Lipid-DLLME method
