Other comments or suggestions:

The diploma thesis deals with foreign trade in agriculture, specifically in India. It looks at both buying and selling of agricultural products. The main goals of this research on foreign agriculture trade in India are to understand how agricultural commerce works and to identify key products and their markets. The research also considers the effects of COVID-19 on agriculture trade and suggests ways to improve the market after the pandemic.

Plagiarism control: The system Theses.cz has not assessed the thesis as suspicious.
