Other comments or suggestions:

Summary:

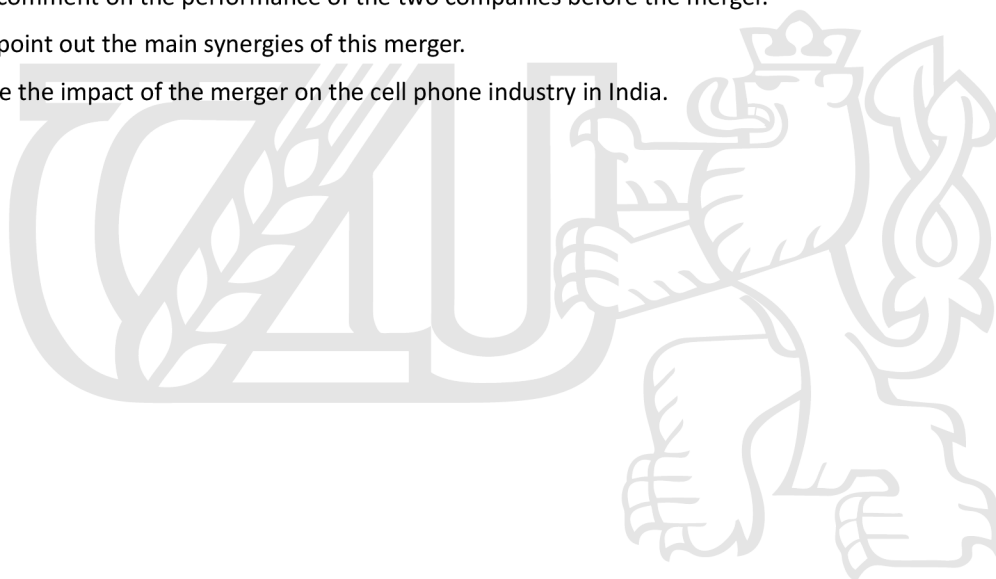

The work analyses impact of a merger in the IT segment on the Indian market. The goal is set up as an analysis of the corporate restructuring in the segment of cell phones in India.

The method of the thesis is based on a financial analysis of the available annual reports of the chosen companies for the period from 2017 to 2021.

The student further assesses additional motives behind the merger and evaluates synergies from the combination. He also discusses the direct effects on the product and service in the telecom industries and reviews the success of the merger.

Questions for defence:

1. Please comment on the performance of the two companies before the merger.
2. Please point out the main synergies of this merger.
3. Evaluate the impact of the merger on the cell phone industry in India.

Plagiarism control: The system Theses.cz has not assessed the thesis as suspicious.
