**Other comments or suggestions:**

In her bachelor thesis, the author deals with the characteristics of methods for evaluating employees for the subsequent development of their working abilities. In a personal context, the author in the bachelor's thesis can increase skill and intellectual capital. The use of theoretical principles is illustrated by evaluating and designing a modified employee appraisal system for JSC Gazprombank. The bachelor thesis is carefully prepared and meets the requirements for these diploma theses.

**Plagiarism control:** The system Theses.cz has not assessed the thesis as suspicious.
